We're Moving in 2009

Decorators Warehouse is excited to make the announcement that we will be moving to a tremendous new facility for the 2009 Christmas season. Our new location will be at 3708 West Pioneer Pkwy., Arlington, Texas. The building previously housed the Antiques and Moore Antique Mall, at the corner of Pioneer Pkwy. and Park Springs Blvd. We will open in this location sometime in August of 2009. Our new facility will have over a full acre to display what we believe will be the most extensive and beautiful displays of Christmas in the nation. Additionally, we

will have over 6 acres of parking, so you will always be able to visit us with no parking problems. We are very excited that the Rose Garden Tea Room will continue its' history of outstanding food and dining pleasure by continuing to be a large part of our new location. The Tea Room will be an awesome place to bring your guests and family for a great meal during your shopping experience with us. Our hope is that you will make this one of your family traditions in the years to come. The Tea Room will remain open during our renovation of the building. We wholeheartedly recommend you stop by and have lunch even before we have made the move.

We want to personally thank each one of our wonderful customers for your outstanding patronage over the last twenty years. It is you that we are grateful for and give the credit to for allowing us to make the next step towards becoming the Nations' best Christmas store. If there is anything that we can do to make your visit with us better, please do not hesitate to let us know.

Merry Christmas & God Bless You,

Kathy and David Hanson
